

**REMARKS**

A Substitute Sequence Listing is filed herewith in CRF form only via EFS-Web and thus, no paper copy is filed.

The Substitute Sequence Listing text file named "20091207\_2ndrevised\_sequence\_listing.txt" merely reformats the sequence listing to correct errors noted in the Raw Sequence Listing Error Report comply with the practices set forth in 37 CRF 1.823. No new matter is introduced by the Substitute Sequence Listing.

The reviewer of the Sequence Listing incorrectly indicates that 0 amino acids are recited in SEQ ID NO: 1, but in fact 13 amino acids are recited, and thus field <211> recites correct data.

Text improperly in fields <220> has been moved to a new field <223> in all instances.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Mark J. Nuell, Ph.D. (Reg. No. 36,623) at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.14; particularly, extension of time fees.

Dated: December 7, 2009

Respectfully submitted,

By   
Mark J. Nuell
